Easter reminds us of our purpose and vision!

He has risen! He has risen indeed!! Easter reminds us of our purpose and vision. Since the very first Easter, it has not changed. Jesus came to seek and to save those who were lost and to die on a cross for those who would repent of their sin and turn to Christ. Easter is the hope that we too will one day experience our own resurrection because of Christ's.

Our purpose is very simple, **"To live for Christ, to love people, and to make disciples."** Our vision likewise is simple. It is, **"To be a people of acceptance, healing, equipping, and sending."**

During February and March, we focused on the first two steps of our vision. During April and May, we will look at the latter two. Being a people of acceptance and healing is what draws people to us and ultimately to Christ. Being a people of equipping and sending ensures that we continue to fulfill our mission and purpose of living for Christ, loving people and making disciples.

I am so thankful to be your Pastor. I am also thankful to be able to walk with you on this journey we call the Christian life. Please keep praying for me; as you know, I never quit praying for you!

In His Grip of Grace
Pastor Scott

Who Is Your "One"?

With Easter approaching we can put action into our Mission Statement, "Live for Christ. Love People. Make Disciples." We can't make disciples without first living for Christ and loving people that is why Sunday School is so important. We get to connect people to Jesus, His Word, with other believers and actively participate in His mission. God's mission involves spreading the Good News of Jesus Christ in order to see His creation redeemed. Who will you invite not only to Easter services this Sunday but to your Sunday School on the many Sundays following Easter. Who is your ONE?
